Why Choose Night School?

Do you need a high school credit course or do you need to upgrade your mark? Can't take classes during the day because of school, children or work? We offer **FREE** night classes for high school and adult students!

- Reach your graduation requirements or prerequisites for college in a fun and friendly environment.
- Convenient classes only two nights a week.
- Gain your credit while you continue to work or go to school.
- Supportive and experienced teachers & staff.
